

Unanderra CPSA Combined Pensioners and Superannuants Association.

Whilst one of their weekly activities is playing Bingo they want people to know that they do much more than just “play games. Today they presented their donation of hand-knits to Julie Redfern the Recreation Program Co coordinator Camp Quality.

As recently they were all very busy knitting some beautiful colourful and wondrous “winter warmers “ of bed slippers, Beanies, Care Bears and Wraps for Camp Quality who then distributes these to families at their regular Pizza night at Sydney Children’s Hospital. ”. They continue to raise funds through their community drive collection for 5c pieces which can be donated here at the Community Centre.

This amazing local group of seniors meets every Wednesday from 9am at Unanderra Community Centre and they are constantly supporting community issues and needs of disadvantage : socially, politically and practical which you can read in The Voice (published monthly) .

This group is open to all people receiving pensions not only seniors and annual membership fee is only \$12 for Insurance.
