

Grow your own organic **Vegetables** Fruits and Herbs

THE WOMEN'S PATCH - WHERE WOMEN GROW

The Women's Patch is an organic garden bed located at Dapto Community Farm (DCH).

Here women can grow vegetables for themselves, their community or even commercially.

At the Women's Patch we can provide:

- Subsidised seed, seedlings, mulch and fertiliser
- Tools and equipment
- Regular workshops, activities and events
- Gardening experts on hand to help you
- Opportunities for commercial activities/small business

If you would like to ...

- ☀ Meet some new people
 - ☀ Try something new
 - ☀ Connect with a friendly group of women
 - ☀ Grow your own food
- ... the **Women's Patch** welcomes you to come along.

Go on, ring us now!

We meet at the farm every **Tuesday** from 10.00am -12.30pm.

Feel free to call in for a visit.
